S I R,

I have the honor to state that the people of Imangala village in the Hiriyur Taluk petitioned this office praying for the establishment of a native vaidyasala and the appointment of a midwife for their village. They stated therein that with a view to find funds for the purpose, fees might be levied on animals &c coming to the weekly santhe of the village. The Taluk Board of Hiriyur to whom the petition was referred while viewing the prayer of the petitioners with favor, suggested that the income from the new impost - which may be at rates noted in the margin - might be tried and watched for some time. The District Board has approved of the proposal of the Taluk Board (Vide enclosed copy of the resolution dated 6th April 1918).

Any medical aid will have to come either from Hiriyur or Chitaldrug i,e, from a distance of 12 and 13 miles respectively. I therefore consider it necessary to afford to the people the facilities prayed for by them as not only they but also the villagers of 15 or 20 other neighbouring villages will be benefitted.
